

LOCATING YOUR KEY CODE

Your key code is located on the outside of the lock cylinder right next to where the key is inserted into the lock. Use the diagrams below to find which lock is on your BETTER BUILT® tool box. Once you've located the code, see below to find the matching key category to order your replacements.

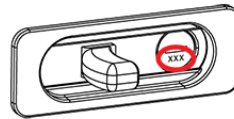

**BUTTON
LOCK**

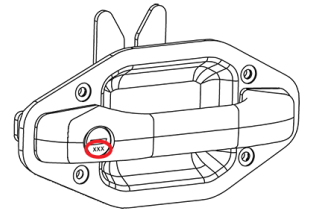

**PADDLE HANDLE
LOCK**

**SHOTGUN LATCH
LOCK**

**PULL HANDLE
LOCK**
